

Greetings Imagine Families,

Welcome to the 2019 - 2020 school year! I hope that you enjoyed a summer of authentic learning, filled with the creation of memories with family and friends. The Imagine Team & Family is thrilled to partner with you and your scholar(s) for another school year of learning and growing!

Over the summer, we are continuing to work strategically to realize our vision of providing a school environment where each and every scholar is challenged at his/her academic level, coupled with strong character education support.

For school year 2019-2020, please look forward to:

- Imagine Day; Date To Be Announced
- The first day of school on Tuesday, September 3rd.
- Kindergarten orientation for parents and scholars on Thursday, August 29 @ 2:30 p.m. We do not participate in full-day systemic orientation days for K or 6th grade.
- Per PGCPs, if you want to escort your scholar to class on the first day of school, you will need to sign in at the main office and obtain a visitor pass. Please have your driver's license/state identification with you, if you're not in our Raptor system.
- School supply lists are posted to the school's website.
- During arrival and dismissal in the hug/kiss line, please remember to remain in your vehicle and have your scholar(s) ready to help traffic flow smoothly.
- Early dismissal will end at 2:30 p.m. Visitor badges will not be issued after 2:00 p.m. Please schedule classroom visits with the teacher and grade level administrator at least 24 hours in advance via Class Dojo or email.
- Uniforms will remain the same for the school year, please check the school's website for details.
- Scholars will receive their schedules via mail before the first day of school.

We look forward to seeing you on September 3, 2019, relaxed, rejuvenated and ready for another school year of meaningful learning experiences for our scholars. Feel free to contact me with any questions or concerns via Class Dojo or email.
