SCHOOL HOURS
Main Office Hours: 8:00am - 4:00pm

Student Arrival Time: 8:10am

Success Time: 8:10am - 8:30am
Success Time is an instructional block where scholars in grades K-8 engage in accelerated/reinforcement based on STAR data and teacher observation. Students will engage in small group instruction, computer-based support (I-Read; Flow 360; Khan Academy); and independent practice. The instructional block is not a graded period however, will be incentive based which will earn participating scholars opportunities to engage in whole school incentive activities and purchase items from the Eagle Pride Store.

Instructional Start Time: 8:30am

Instructional End Time: 3:10pm

ARRIVAL
There is no supervision before 8:10am for students who are not enrolled in the before school program. All students dropped off before 8:10am must report to the before care program in the cafeteria in Leeland, and charged the daily rate. STUDENTS ARE NOT TO BE DROPPED OFF ON THE FRONT PORCH OF SETON BELT PRIOR TO 8:10am. This is a safety hazard as there is no adult supervision available until 8:10am.

Upon arrival, students are to enter through Seton Belt Hall (main building) and then go directly to the building where their assigned classroom is located.

- Kindergarten - 1st Grade --- Chelsea Hall
- 2nd - 5th Grade --- Seton Belt Hall
- 6th Grade --- Leeland Hall
- 7th - 8th Grade --- Science & Technology Building

**Those students that are coming from breakfast should travel under the awning in front of Chelsea, down the walkway towards Marlboro Hall (library) and down the walkway towards the Science & Technology Buildings**
DRIVING DIRECTIONS

Entrance: Please use the entrance at the intersection of Church and Oak Grove Roads. During school hours, the campus is one-way traffic only.

Speed Limit: The speed limit is 10 miles per hour. Please take your time while driving on the campus.

Drop Off: Drop off your children in front of Seton Belt Hall no earlier than 8:10 am. The drop off line is single lane only. Children should exit the car on the passenger/curbside side. If access to the office is needed, park in the parking lot (nearest the gym) and check in at Seton Belt Hall.

Breakfast Drop Off: Breakfast is served each day from 8:10-8:30 a.m. only. If your child is purchasing breakfast please drop him/her off at the front entrance of Leeland Hall. Students who are not purchasing breakfast should not arrive before 8:10 a.m.

TARDINESS

PGCPS defines tardiness as anytime a student is not in the classroom when the class period begins. It is critical that students arrive on time each morning; this is when the teachers set the educational tone and how teachers maximize instructional time. When the tardy bell rings, students are to be in class ready to learn. Being punctual is also important for the official attendance taking process at the beginning of each instructional day.

Tardy students are to report to the Main Office (Seton Belt Hall) upon arrival to retrieve a Tardy Pass. The following action will be conducted for repeated tardiness.

<table>
<thead>
<tr>
<th>1-3 Tardies</th>
<th>Teacher phone call to parent</th>
</tr>
</thead>
<tbody>
<tr>
<td>4-6 Tardies</td>
<td>Send written attendance notice home to parent</td>
</tr>
<tr>
<td>7-10 Tardies</td>
<td>Referrer student to grade MTSS Team</td>
</tr>
</tbody>
</table>

Students coming late to school are required to obtain a late pass before being admitted to any classroom. (Students can be marked absent for a half-day as appropriate.) If the student does not obtain a late pass and show it to the teacher, the student will be marked absent on the official attendance roll.

ABSENCES

Whenever a student is absent from school, a written excuse (via Class DoJo, email, or paper form) from the parent and/or guardian is required on the return date. This excuse should explain why the child was not in school and the exact date(s) of the absences. This is required even though a parent may have informed the school of the absence by telephone. If an excuse is not
received within three (3) school days of the last date of absence, the absence(s) will be considered illegal. The District realizes that weekends and holidays may sometimes make it impossible for a parent to provide an excuse within three days. In such cases, the building administrator will take into account the extenuating circumstances before considering an absence illegal.

The following action will be conducted for repeated absences.

- Three (3) consecutive absences results in teacher contact via phone, email, and/or Class DoJo.
- If no change in absences occur student will be referred to the School Instructional Team to address the underlying problem(s) that lead to absenteeism.

If a child has an extended absence, the parent should arrange for homework assignments to be completed during this absence. Students who have excused absences will be permitted to make up any missed assignments. The student will be permitted to make up work for each excused absence per the schools make up policy. If the absence is unexcused, the student will receive a zero for all missed assignments, tests, or class projects.

*Should a student for any reason have ten (10) unlawful consecutive absences they will be automatically withdrawn and readmittance may only be granted through the PGCPS Lottery process.

**Dismissal / Afternoon Pick up-Dismissal / Emergency Dismissal Information**

**DISMISSAL**
Students must leave the school grounds immediately after dismissal. Early dismissal ends at 2:30 p.m. After that time, parents/guardians must pick up their children in the car line. Students will be called to report to their car. All students who are not picked up by 3:30 p.m. will be placed in the After-School Program and will be charged the daily rate. Parents are responsible for paying all After School Program fees accumulated due to late pick up. Additional pick-up logistics will be given at the start of the school year.

**Afternoon Pick Up/Dismissal**
- Dismissal will begin at 3:10 p.m.
- Please drive into the school parking lot and follow the direction of the Parking Lot Team.
- Your child will be called and will walk to your car once they are permitted to do so by the staff on duty. Please be sure to have the name signs that were provided by IFLPCS in your car front window.
- **Please do not walk up to the porch to have your child called down. Please see the arrival and dismissal policies and procedures handout.**
• Please note that for the first couple of weeks of school, the dismissal process may take longer as new parents adjust, etc. Nevertheless, it is still the parent’s responsibility to pick up his/her child on time, directly after school.

• Kindergarten, 1st Grade, and Siblings of Kindergarten/1st Grade: Collect students from the plateau located between Marlboro Hall (library) and Leeland Hall (cafeteria).

• 2nd - 8th Grade: Collect students from the front of Seton Belt Hall. Students will walk the car line, onto the porch of Seton Belt Hall. Your child will be called and will walk to your car once they are permitted to do so by the staff on duty.

Exit: Please follow along the main road to exit the campus, adhering to the direction of staff and security.

EARLY DISMISSAL
If your child will need to be dismissed prior to the end of the school day, we ask that you come to the school office and sign him/her out with a school employee. The office staff will send for your child. **Early dismissal ends at 2:30 p.m.** Following that time, regular dismissal will commence; any parent who picks up a child early more than two times without relevant documentation will be required to meet with school administration about the matter. Only individuals listed on the EMERGENCY CONTACT FORM will be allowed to pick up students from the school during the school day. A valid picture ID will be required for any individual picking up students. If someone arrives at the school to seek the release of a student and the person’s name is not on the emergency contact card and/or the person does not have valid photo identification, the student will not be released. Additionally, early dismissal after a field trip is not permitted. Parents must contact the school before 2:30 p.m. to change a child’s dismissal procedure for the day.

EMERGENCY DISMISSAL INFORMATION
An Emergency Information Card will be sent home with each child for parents to give specific plans for children during emergency situations. It is the parent’s responsibility to return the required card to school and to make sure that Imagine Foundations at Leeland Public Charter School has updated contact information if or when the emergency contact information changes. In addition, the procedures for emergency dismissal should be discussed with each child.

*Delayed Opening and Early Closing Dismissal / Illness / Medication / Injury*

**DELAYED OPENING AND EARLY CLOSING DISMISSAL**
If it is necessary to delay the opening of school because of inclement weather conditions, please watch the school closing announcements on your local news channels or check the school district website @ www.pgcps.org.
**TWO-HOUR DELAY**
School will begin two hours later than normal. All field trips will be cancelled. EARLY CLOSING FOR INCLEMENT WEATHER, EMERGENCIES, AND OTHER PROBLEMS – Dismissal of schools prior to the regular closing time: Parents will be contacted; all after-school activities and events will be cancelled. Food services will provide breakfast and lunch.

**ILLNESS**
The importance of regular attendance cannot be over emphasized, however, students should not be sent to school when they are ill. If a student becomes ill during the school day and it appears that they would be best cared for at home, a parent will be contacted to pick the student up. **Those students who are sent home with a fever, due to vomiting, or diarrhea should not return to school until they have been free of each symptom for 24 hours.**

School administration and the school nurse must be notified of any student’s chronic illness (i.e. asthma, diabetes, heart conditions or seizures) or new diagnosis. This heightens awareness in case of emergency. Please keep the school informed of phone number changes and emergency contact information.

**MEDICATION**
Medicines, including over-the-counter ones, are forbidden in school. If it becomes absolutely necessary that a child takes medicine while he/she is in school the parent must provide a signed Physician’s Authorization Form for medicine to the school nurse along with the labeled medication. The label must match the form signed by the child’s physician. This form can be obtained through the Prince George's County Public Schools website at [www.pgcps.org](http://www.pgcps.org) via Health Services or from the school nurse. All medications are secured and will only be administered by the school nurse or the Certified Medication Technician.

**INJURY**
The procedures listed below will be followed for an injured student:
1. Teachers will send the student to the nurse’s office if the injury is minor.
2. Teachers will notify the nurse’s office if the student is unable to be moved.
3. Trained personnel will administer basic first aid.
4. The parent(s) will be called and the injury described. For a minor injury, the parent will make the decision about removing the student from the school. Emergency contact persons will be called if the parent cannot be reached.
5. The paramedics will be called for critical injuries that require the type of care that school personnel cannot offer and the parent or emergency contact will be notified.
6. An accident report will be completed and filed for every accident.
IMMUNIZATIONS
Students entering the school system must be compliant with their immunizations, unless exempt for religious or medical reasons. If not, they are given 20 calendar days to become compliant before being excluded from school. For a list of recommended immunizations per grade level or immunization catch up schedule you may access the section for parents under Health Services on the Prince Georges County Public School website at www.pgcps.org or see the school nurse.

SCHOOL BREAKFAST AND LUNCH PROGRAM
IFLPCS participates in the federal school lunch program and follows the PGCPS lunch menu and calendar. Breakfast and lunch are served in the cafeteria daily. Students who bring lunch from home are able to purchase milk or juice. Occasionally, students lose or forget lunch or lunch money. When this happens, the student should report to the office after opening exercises (before 9:00 a.m.). A parent will be contacted and asked to deliver the money or a lunch to school.

NOTE: We strongly recommend that parents do not bring fast food to school or bring snacks for lunch.

PREPAYMENT FOR MEALS
All parents will be encouraged to pre-pay for lunch through https://www.myschoolbucks.com. No checks will be accepted.

FREE/REDUCED PRICED LUNCHES
An application for Free or Reduced Price meals will be sent home with students on the first day of school. Parents must apply for this benefit yearly. The application should be completed and returned to the office as soon as possible. Notification pertaining to qualification for free/reduced lunch will be sent promptly.

BREAKFAST AND LUNCH MENUS
Monthly breakfast and lunch menus will be sent home at the beginning of each month in the Monday folder. As an added convenience, parents may view breakfast and lunch menus online at http://www.pgcps.org/~lunch/webdocs.
CAFETERIA BEHAVIOR
Lunch is a time for students to socialize with other students; however, they are expected to use proper table manners during the consumption of meals. Student lunch periods are 30 minutes in length. Students are expected to use indoor invoices and display proper table eating etiquette during this time. Please review good table manners with your child.

FIELD TRIPS

PARTICIPATION
Participation in field trips is a privilege. Students serve as representatives of the school. We ask that each parent review proper behavior with your child to ensure the safety of all students. If a student has a pattern of disruptive behaviors, he/she will not be permitted to attend school sponsored field trips. Unless otherwise stated, all students are required to be in full school uniform on field trip days. Any student that is not in full school uniform the day of a field trip will not be permitted to attend and will not be provided a refund.

CHAPERONES
Imagine Foundations at Leeland Public Charter School will seek to provide experiences beyond the classroom walls in the form of field trips. Parents may be asked to assist the teacher as chaperones. Schools are responsible for ensuring a sufficient number of chaperones for trips, teachers will identify the required chaperone ratio. Selected chaperones are on a first come, first serve basis. The criteria to be a chaperone is as follows

- To serve as a chaperone, the following requirements, as outlined in Administrative Procedure 4216.6, Volunteer Services, must be met:

The prospective volunteer (chaperone) must provide a copy of the background check receipt and completion certificates for the SafeSchools training to the school office for record keeping and audit purposes. Each school must maintain a copy of the background check receipts for an approved volunteer.

Any parent/guardian who needs assistance covering the cost of a fingerprint background check, and whose child(ren) qualify for free and reduced priced meals, may request waiver of the background check fee by providing a copy of their eligibility letter from the PGCPS Department of Food and Nutrition Services to the Fingerprint Office.
The prospective volunteer (chaperone) must review and adhere to provisions of Administrative Procedure 4218, Dating and Sexual Relationships Among Students and Employees, Independent Contractors, and Volunteers; and Administrative Procedure 4219, Inappropriate Relationships Among Students and Employees, Independent Contractors, and Volunteers.

**Homework Policy**

The purpose for assigning homework is to give students the opportunity to extend lessons, practice skills, engage in critical thinking and develop good work habits. Homework can also serve as one form of communication between the teacher and the family. It is important that homework does not add stress to family life. Therefore, it is up to the student, family, and teacher to share the responsibilities for homework. Homework is an important part of each student’s academic year.
Student’s Responsibilities
- To understand all homework assignments by listening to directions, asking questions when something is unclear, and reading all directions
- To gather all materials necessary to complete assignments before leaving the classroom
- To complete all assignments to the best of his/her ability
- To return materials and assignments on time
- To make up any missed homework that the teacher requires

Family’s Responsibilities
- To provide a routine and environment that is conducive to completing homework (i.e. a quiet and consistent place and time, necessary materials, etc.)
- To offer assistance to the student, but not complete the actual homework
- To check that your child has edited his/her homework for spelling (Kindergarten and First Graders may use invented spelling as appropriate), punctuation, neatness, etc.
- To notify the teacher when homework presents a problem
- To read school notices and respond in a timely manner. Homework and school notices will travel home in the student’s homework folder. Regular backpack cleanups can be useful in helping students to organize their materials.

Teacher’s Responsibilities
- To provide purposeful homework
- To provide clear directions and instructions
- To implement a system for routinely checking homework
- To communicate to the students/family expectations for completing homework successfully; to communicate with families when students are not consistently completing assignments.

Homework includes reading every night as we help each student develop the habit of being a lifelong reader. Written assignments over the course of a week may include a balance of assignments in other content areas such as writing, spelling, math, social studies, science, and long-term projects. In Kindergarten, the homework is for families and children to spend time together with books. Often, especially in the beginning of the year, this will mean parents and family members reading aloud to children. As the year progresses and Kindergarten children bring more books from school to home, students may be reading to and with family members.
Recommended Time Allotments for Homework

At Imagine Foundations at Leeland, we know that the amount of time it takes each student to complete homework assignments will vary. The following chart indicates what we believe is approximately the appropriate amount of time for children in each grade to spend completing homework. If your child diligently does his/her homework for the maximum allotted time and does not complete it, you may write a note to the teacher explaining the situation. If this is an on-going problem, please make arrangements to talk to the teacher. If your child thoroughly and neatly completes the homework very quickly and you believe that your child needs additional homework, extra reading or writing in a Writers Notebook, or additional practice with Mathematics skills is recommended.

Reading independently for 10-15 minutes, per night, should take place at every grade level. This is in addition to the homework outlined below.

**Study Skills / Grievance Procedure / Volunteer Hours / Communications**

**STUDY SKILLS**
Imagine Foundations at Leeland Public Charter School takes educating our students very seriously. Here are a few tips on how parents can assist their child towards academic success. Please make sure your child does the following:

- Come to school prepared to work with all necessary supplies.
- Ask for help from school personnel if assignments need to be explained further.
- Have a specific quiet place at home to study, away from distractions such as television, radio, etc.
- Take home all necessary books/documents needed for assignments.
- Review and proofread all assignments after completion.
- Use the public library regularly and check out books to READ!
- Normalize bedtime and wake-up times so that your child gets enough rest.
- Be proud of your child’s performance at school and celebrate their success at home.
- Take advantage of any after school and/or Saturday school tutoring sessions.

**GRIEVANCE PROCEDURE**
If a student or his/her parents feel they have a grievance or complaint they should do the following:

1. Carefully analyze the problem and be sure that you have all of the FACTS from all parties involved.
2. Arrange a conference with the teacher (s) involved.
3. If not resolved, arrange a conference with the school administration.

**PARENT VOLUNTEER HOURS**
Parent households are ask to volunteer at least one full school day, or the equivalent, per academic school year. Specifically, this means at least one parent per household should volunteer at least one day per school year. The Principal will track this. Parents have many opportunities to volunteer their time at school during the instructional day, during field trips, after school events, fundraisers, and for extracurricular activities. Any parent interested in volunteering at the school should speak with your child’s teacher and the Principal. In order to
volunteer parents must be fingerprinted at the PGCPS Board of Education and attend the Imagine Leeland Chaperone training, schedules throughout the school year. Volunteers are required to follow the Principal and school guidelines/expectations.

COMMUNICATION
Communication is absolutely essential for success in any human endeavor. The Imagine Foundations at Leeland Public Charter School administrative team and staff recognize this and strive to facilitate open and frequent communication with parents at all times. Imagine Foundations at Leeland Public Charter School communicates between school and home via:

1. Monday folders
2. Student agenda books
3. SchoolMax Parent Portal
4. Parent/Teacher conferences
5. Progress Reports/Report Cards
6. Telephone calls
7. Email
8. Parent Teacher Organization (PTO)
9. Scheduled meetings with the school administration
10. Remind 101
11. Class Dojo
12. School Website
14. Facebook page

From time to time, surveys may be sent home to ask your opinion and your participation is crucial so that the school can determine areas that are working well and areas that need improvement.

In addition to the report cards and conferences, your child’s agenda book/Remind 101/Class dojo will be the teacher’s daily means of communicating to you homework assignments, daily student behavior, test scores, etc. Please make sure that you check your child’s backpack daily for informal notes from the teachers and/or from our staff.

Please feel free to consult with your child’s teacher regarding any questions that you may have. It is the desire of the Imagine Foundations at Leeland Public Charter School administrative team and the faculty to be of service to both parent and student, and every teacher welcomes the opportunity to speak with any parent about their child’s progress. We do urge, however, that such visits be made by making an appointment with the teacher at a convenient time before or
after school hours. **Parents are asked not to attempt to meet with a teacher during instructional time, unless a conference has been prescheduled.**

School sponsored parent conferences will be scheduled throughout the school year for each student. It is important that every attempt be made to attend these meetings to keep abreast of the progress of your child. If you are unable to keep your scheduled appointment, please contact the school to reschedule for a more convenient time.

**Telephone / Visitors / Textbooks Materials and Supplies**

**TELEPHONE**
The school has a business telephone to help transact the business of the school and the lines must be kept open. Students may not use the telephone except for emergencies.

It is difficult to deliver a personal message to an individual student without interrupting the instructional program. Please do not ask the staff to deliver messages to students except in an emergency.

**VISITORS**
Visitors, including PARENTS, are NOT permitted to go to their child’s class unannounced during school hours because this disrupts the student’s normal routine and instruction. If you would like to visit your child’s class you will have to make an appointment with an administrator. For the safety and protection of all students, visitors (including parents) must sign-in and out in the main office and obtain a written pass before proceeding to a classroom. Cooperation will enable the school to provide a safe and orderly learning environment for all students.

**TEXTBOOKS, EQUIPMENT, MATERIALS AND SUPPLIES**
The textbooks issued for student use are the responsibility of the student and/or parent. Any damaged or lost books must be paid for before another book is issued for student use. Any student who has not paid for a lost book will not be permitted to participate in school activities, field trips, dances, etc. if they have an outstanding lost book debt. Parents that are interested in purchasing a textbook for student use at home should contact a school administrator.

Students will be expected to provide all basic supplies such as paper, pencils, crayons, rulers, scissors, markers, glue, etc. Any additional supply needs are to be requested in writing by the classroom teacher. Please help your child come prepared for school by packing his/her homework and supplies in the evening to avoid the last minute morning rush. Ultimately, it is the student’s responsibility to check and be sure that everything needed for the next day has been packed.
LABELS
Please label all personal property such as: lunch boxes, sweaters, raincoats, uniforms, etc.

LOST AND FOUND
Throughout the school year, lost items are turned into the school office. If a student loses an item, he/she may come to the office to claim an item that belongs to them. Any item of value, such as jewelry, etc., will be kept in the office for identification prior to return. Lost items such as coats, sweaters and jackets will be placed in a “Lost and Found" area in our cafeteria in Leeland Hall. These items will be available for parents and students to look through as needed. Due to high volume, the “Lost and Found” items will be donated to charity after a minimum of three weeks. There are many items lost and never claimed each year. We strongly advise that you label all clothing and personal property so that misplaced items may be returned.

BIRTHDAY PARTY POLICY
Only students in grades Kindergarten – 5th Grade will be permitted to have birthday parties during the school day. Student birthday celebrations may only be conducted on the last Friday of each month, during the last 45 minutes of their core subject(s) class. If schools are closed on Friday, birthday parties can be held on the last day of that school week. No parties will be allowed for grades 3-8 during PARCC Testing (April/May). If the materials for the party do not arrive by 1:30 p.m., the party will be canceled and may or may not be rescheduled. Parents must contact the child’s teacher if they wish to celebrate their child’s birthday. The parent must volunteer to assist teacher with the party. Parents must make teachers aware of all food items they plan to bring, for student food allergy purposes. We ask that students do not exchange gifts during school hours. If this policy is violated and/or becomes disruptive to the instructional process, this policy will be rescinded for the remainder of the current school year.

You will not access material that is designated for adults only or is profane or obscene (pornography), that advocates illegal or dangerous acts, or that advocates violence or discrimination towards other people (hate literature).

Unapproved locks will be cut from lockers and discarded. No financial liability for these locks rests with Imagine Foundations at Leeland Public Charter School and no restitution will be made for their damage in removal.

LEGITIMATE USE OF SCHOOL LOCKERS
The school assigns lockers to its pupils for the students’ convenience and temporary use. Students are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Students shall not use the lockers for any other purpose, unless specifically authorized by school principal or his/her designee, in advance of students bringing the items to school. Students are solely responsible for the contents of their lockers and should not share their lockers with other students, nor divulge locker combinations to other students, unless authorized by the school principal or his/her designee.
SEARCH OF LOCKER CONTENTS
Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for students and personnel. Accordingly, the board authorizes the school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or student consent. The school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The school principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

SEIZURE
When conducting locker searches, the school principal or his/her designee may seize any illegal or unauthorized items, items in violation of school or rules, or any other items reasonably determined by the school principal or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to, the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance or other intoxicants, contraband, poisons, and stolen property.

Law enforcement officials shall be notified immediately upon seizure of such dangerous items or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy.

Any items seized by the school principal or his/her designee shall be removed from the locker and held by school officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of a minor pupil shall be notified by the school Principal or his/her designee of items removed from the locker.

STUDENT RIGHTS & RESPONSIBILITIES

Prince George's County Public Schools is dedicated to creating and maintaining a positive learning environment for all students. Teachers, administrators, parents, and students must assume a responsible role in promoting behavior that enhances academic and social success.

Courteous, respectful, and responsible behavior fosters a positive climate for the learning community. One of the most important lessons education teaches is discipline. While it is not a formal subject, it underlies the entire educational process. Discipline is the joint responsibility of students, parents, family, staff, and administration. Discipline includes self-control, character development, orderliness, and efficiency. Proper conduct and consideration of others are goals of student discipline.
The Student Rights and Responsibilities Handbook sets forth student rights and responsibilities while at school and school-related activities, and the consequences for violating school rules. When determining the appropriate action to be taken as a consequence of student misconduct, school officials may use intervention strategies and/or disciplinary actions, depending upon the severity or repetition of misconduct; age and grade level of the student; circumstances surrounding the misconduct; impact of the student’s misconduct on others in the school community, and any other relevant factors.

The Student Rights and Responsibilities Handbook will be administered uniformly and fairly, without partiality or discrimination.

**WHEN AND WHERE THE STUDENT RIGHTS AND RESPONSIBILITIES HANDBOOK APPLIES**

The Student Rights and Responsibilities Handbook applies before, during, and after school: “At school” means in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises.

When a student’s conduct at any other time or place has a direct and immediate effect on maintaining order and discipline, or on protecting the safety and welfare of students or school district staff.

When a student is using school telecommunications networks, accounts, or other district services. This includes text messages, phone calls, letters, notes, emails, and Internet communication.

**STUDENT MISCONDUCT**

Student misconduct is classified into three levels. In addition to these three levels of discipline, a student may be suspended for his or her conduct in a class, subject or activity. The definitions of misconduct at each level are not all-inclusive, but only representative and illustrative. A student who commits an act of misconduct not listed herein is nonetheless subject to disciplinary action. Imagine Foundations at Leeland Public Charter School staff may use intervention strategies such as teacher/student conferences, auxiliary staff/student intervention, and teacher/parent/guardian contacts for Level I and Level II violations. The staff will refer Level III violations directly to school administrators, because of the serious and/or unlawful nature of the misconduct.

At the option of school administrators, a student accused of any violation of the Code of Student Conduct may be referred to a school social worker or counselor, in conjunction with or in lieu of other disciplinary procedures. Where the misconduct is subject to mandatory discipline under
state law, however, the school board will act to impose any mandatory sanctions. A suspension may be issued for up to one day. The Principal or Assistant Principal (Academic Facilitator) may issue short-term suspensions. The district’s board of education or its designee may issue long-term suspensions or expulsions.

Any student involved in the investigation of a possible violation of the student code can be required to complete a written statement of their recollection of events upon request of school staff. Failure to do so will be viewed as interference in the performance of school personnel's duties and insubordination and will result in consequences being levied. Any false information given in these statements will be viewed in the same manner with the same or greater consequence.

**SHORT-TERM SUSPENSION**
A short-term suspension occurs when a student is suspended for one (1) school day, up to and including ten (10) school days. During a short-term suspension, the student’s rights and privileges of attending school, including extracurricular activities, are suspended.

**LONG-TERM SUSPENSION**
A long-term suspension is when a student is suspended for more than ten (10) school days. During a long-term suspension, the student’s rights and privileges of attending school, including extracurricular activities, are suspended.

*Please note that Imagine Foundations at Leeland adheres to the PGCPS Code of Student Conduct when a student commits an act of misconduct. Please see attachment.*
ANTI-BULLYING POLICY

The Prince George's County Public Schools' board prohibits acts of harassment or bullying. The board of education has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior. "Harassment or bullying" is any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts – i.e. internet, cell phone, personal, or wireless handheld device) that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic. Such behavior is considered harassment or bullying whether it takes place on or off school property, at any school-sponsored function, or in a school vehicle.

“Harassment” is conduct that meets all of the following criteria:
• is directed at one or more pupils;
• substantially interferes with educational opportunities, benefits, or programs of one or more pupils;
• adversely affects the ability of a pupil to participate in or benefit from the school district’s educational programs or activities because the conduct, as reasonably perceived by the pupil, is so severe, pervasive, and objectively offensive as to have this effect; and,
• is based on a pupil’s actual or perceived distinguishing characteristic (see above), or is based on an association with another person who has or is perceived to have any of these characteristics.

“Bullying” is conduct that meets all of the following criteria:
• is directed at one or more pupils;
• substantially interferes with educational opportunities, benefits, or programs of one or more pupils;
• adversely affects the ability of a pupil to participate in or benefit from the school district’s educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing emotional distress; and,
• is based on a pupil’s actual or perceived distinguishing characteristic (see above), or is based on an association with another person who has or is perceived to have any of these characteristics.

Imagine Foundations at Leeland Public Charter School expects students to conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors. Imagine Foundations at Leeland Public Charter School believes that standards for student behavior must be set cooperatively through interaction among the students, parents and
guardians, staff, and community members of the school district, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for district and community property on the part of students, staff, and community members. Imagine Foundations at Leeland believes that the best discipline is self-imposed, and that it is the responsibility of staff to use disciplinary situations as opportunities for helping students learn to assume responsibility and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent discipline problems and encourage students’ abilities to develop self-discipline. Since bystander support of harassment or bullying can support these behaviors, the district prohibits both active and passive support for acts of harassment or bullying. The staff should encourage students to support students who walk away from these acts when they see them, constructively attempt to stop them, or report them to the designated authority. Imagine Foundations Public Charter School at Leeland requires its school administrators to develop and implement procedures that ensure both the appropriate consequences and remedial responses to a student or staff member who commits one or more acts of harassment or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of harassment or bullying.

Consequences for a student who commits an act of harassment or bullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student’s history of problem behaviors and performance, and must be consistent with the board of education’s approved code of student conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act. In so doing, the principal and/or the principal’s designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. Money raised from fundraisers assists our school greatly in purchasing items for our students and staff that we could not purchase otherwise and can help make up any shortages in the school experience. When fundraising is done, we try to select the least troublesome ones we can find. We do ask our school families to do their part in supporting the effort.
