

PRINCIPAL'S MESSAGE

Welcome Back Eagle Family!

It is with great excitement that the Imagine Foundations at Leeland Team welcomes you back for the 2020 - 2021 school year! We hope that you and your family are healthy and doing well during these unprecedented times. We are looking forward to a productive partnership with you to ensure our scholars continue to achieve their highest potential. It has been a busy summer here at Imagine Leeland. We have been preparing for an exciting semester of *Soaring in Distance Learning @ IFL*. This instructional year Leeland will maintain its primary focus of continuous improvement and student success. As team and family there will be many new learning opportunities as well as many new challenges as we embark on a new way of teaching and learning. Let me encourage you to build on the excitement that comes with the start of the year by sharing this year's theme, "*You Can't Stop Us!*"

We recognize that in order to be successful, our scholars need support from home and school. We know a strong partnership with you will make a great difference in our scholars' education. As partners, we share the responsibility for our scholars' success and want you to know that we will do our very best to carry out our responsibilities. With this in mind, you can expect virtual learning opportunities that will require scholars to think critically, collaborate creatively, and problem solve. It is important that everyone; teachers, students, and parents are excited for the challenges to come! This mindset will empower us to meet the challenges of academic excellence that fosters our shared values of justice, integrity, and fun!

Mrs. Williams
